Backgrounder

About the Canadian Home Builders' Association-Central Alberta

Since 1956, members of the *Canadian Home Builders' Association – Central Alberta* have served to fulfill the basic human need for security of shelter.

The Red Deer-based, not-for-profit, trade association the CHBA - Central Alberta is a recognized **Alberta Promise Builder** representing more than 160 member organizations involved in home building, land development, remodeling, multifamily construction, property management, municipal government, post-secondary education, subcontracting, design, housing finance, building product manufacturing and many other aspects of the residential construction industry.

For 50-years, Members of CHBA-Central Alberta have worked together to build a strong and professional housing industry in the region. Association activities are focused to three areas:

1. Working to promote and protect the interests of consumers.

Members believe that all Canadians have the right to decent, safe and appropriate housing. We also believe that all Canadians have the right to a reasonable opportunity to own a home.

2. Working to support professionalism of CHBA-Central Alberta Members.

We believe that skills, experience and integrity are the cornerstones of professionalism. The CHBA- Central Alberta provides Members with opportunities to learn grow and take pride in what they do.

3. Working towards stable business environment for CHBA-Central Alberta Members.

The CHBA-Central Alberta is committed to a fair and competitive marketplace where all members have the opportunity to operate their business profitably.
